

# CRITICAL THINKING

**MQA** Approved | **HRDC** Refundable

**HONORIS**  
EDUCATIONAL NETWORK

## COURSE DESCRIPTION

To develop the critical thinking skills of emerging leaders, enabling them to analyze information objectively, make sound decisions, and lead with confidence in dynamic, fast-paced corporate environments.

## DURATION

6.5 hours  
1 days

**Theory:** 3.5 hrs  
**Practical:** 3 hrs

## CERTIFICATION

A Certificate of Attendance is given upon successful completion of this course.

## DELIVERY MODE:

FACE TO FACE

## TARGET AUDIENCE

Supervisors, team leaders, junior managers, and professionals being groomed for leadership roles.

## COURSE OBJECTIVE

- Understand the mindset and principles of critical thinking and why they matter in leadership.
- Identify common thinking traps and cognitive biases that compromise sound decision-making.
- Transition from reactive task execution to reflective, strategic leadership through greater self-awareness.
- Apply structured thinking tools such as the RED Model, 5 Whys, SWOT, and Decision Matrices to solve problems effectively.
- Ask insightful, high-impact questions that lead to better analysis and influence.
- Strengthen decision-making skills through hands-on practice and scenario-based group challenges.
- Enhance clarity and collaboration by communicating ideas with structured reasoning.
- Foster thoughtful dialogue, open inquiry, and reflective thinking within teams.
- Develop a personal leadership action plan to embed critical thinking into daily practice.
